

BSB41419

CERTIFICATE IV IN WORK HEALTH AND SAFETY ONLY \$132.00

FUNDING AVAILABLE*

ABOUT THE QUALIFICATION COURSE OVERVIEW

The BSB41419 Certificate IV in Work Health and Safety is an essential qualification for anyone seeking to further their career in industries where health and safety are of critical importance. This course provides the skills and knowledge required to participate in an organisation's work health and safety (WHS) management systems.

Upon completion of this course, you'll be able to contribute to WHS management systems, aid in incident response, and participate in WHS hazard identification, risk assessment, and risk control efforts.

ABOUT US WHO ARE WE

Mine Training Australia offers the mining industry a 'one-stop' shop to meet the majority of your site's training needs.

We have on our team experienced mining, management, and training professionals and a suite of products and services to support the mining industry. From new starter inductions, underground and surface to Quarry Manager Qualifications – delivered at our purpose-built facility in Osborne Park or on-site.

FACE TO FACE OR VIRTUAL VIA ZOOM

This model gives participants the choice of attending our facilitated classroom sessions for each block either virtually via Zoom, or in person at our Osborne Park training room.

SUPPORTED ONLINE SELF- PACED DELIVERY

This pathway involves having access to the Pivot Online Learning System (POLS) and studying the content at your own pace, submitting assessments with the support of your trainer.

ON SITE DELIVERY (ON SITE WITH YOU)

This option is for group bookings only. It allows companies the flexibility for one of our trainers to deliver the training on site.
