

# FIRE EQUIPMENT & TESTING AND TAGGING TRAINING

- CPPFES2010 - Inspect and test fire hose reels
- CPPFES2020 - Conduct routine inspection and testing of fire extinguishers and fire blankets

This course provides participants with the skills and knowledge required to safely conduct routine six-monthly (level 1) and annual (level 2) inspections, servicing and maintenance, and testing/tagging of fire extinguishers, fire blankets and fire hose reels in accordance with relevant Australian standards. The course provides a blend of theoretical instruction with practical training in relation to the testing of firefighting equipment and is suitable for everyone
